THE AHMADIYYA NEWS BULLETIN

So said the Prophet Muhammad (PBUH)

It is narrated by Ibne Omar, Allah be pleased with him: I heard the Prophet of Allah say: It is binding on a Muslim to listen to and carry out an order issued by his officers whether he likes it or not, except when it involves the violation of a commandment of God or His Prophet or of a superior officer (Bukhari).

Explanation: This Hadis lays down the fundamental principle and Islamic criterion of obedience. Islam is a religion of great discipline and orderliness. It does not believe in forcing anybody against his will into its circle and says openly "there is no compulsion in the matter of faith". But when a man has, by his free will and open heart, accepted Islam, it expects of him strict observance of its discipline and orderliness, as becomes an organized people. It wants every member of the faith, to be an exemplar in obedience. It does not permit criticism of the order of the superiors nor, does it allow selective obedience to such orders, that is, to obey them if one likes them and to disregard them if one did not like them. "Obey and obey" is the eternal command of Islam. There is only one exception permitted in this code of obedience, for the Muslims, that when one is commanded to do what is manifestly in contravention of the commandment of God and His Prophet or of superior authority, it should not be obeyed.

* An exposition of the concept of Khatm-e-Nabuwat *

All praise and eulogy is due to the Supreme Lord, who, by assigning to man the central role in the cosmos, exalted him above the entire creation; He then initiated for our guidance the prophetic dispensation, perfecting all the excellences of prophethood in the august person of our Guide, the Glory of apostles, Chief of Mankind. Hazrat Muhammad, the Chosen, in their highest degree, unattainable by those who preceded him and unattainable by those who were to follow him. He is the world-illuminating lantern in which the cumulative heavenly lights reached their utmost brightness; and God ordained the light of this brilliant sun as the guiding media for all mankind.

Prophethood is classified in three categories, as Allah says in the Holy Quran, prophets differ in their status, so do they differ according as the category, to which they individually belong: 1) Firstly, law bearing prophethood is such prophethood as reveals a new code like that of Hazrat Moses or of the Holy Prophet. 2) In the second category comes the non-law-bearing prophethood which carries no new law but is independent and a direct divine mission as Hazrat David and Hazrat Isa who served the

This is attained through allegiance to a former prophet, by seeking light from him and losing oneself in him, such as the prophethood of Promised Messiah, Founder of Ahmadiyya Movement.

The Ahmadiyya Community holds that whereas the door to the first two categories of prophethood has been finally closed after the Holy Prophet(PBUH) the appearance of a prophet of the third category, who has been termed as disciple-cum-reflex prophet, is within the range of possibility.

News from Headquarter:

State of health of Hazrat Ameer-ul-Mominin, Khalifatul-Masih III is reported through the daily Al-Fazl of Rabwah, Pakistan, as Hazrat Sahib is enjoying sound health with the benevolence of omnipotent Allah.

Bretheren are earnestly requested to continue their supplications for the well-being of their spiritual leader.

Latest news concerning anti-Ahmadiyya atmosphere in Pakistan:

An ad-hoc committee comprising 47 members of the National Assembly of Pakistan, which was ordained to probe into the beliefs and character of our Jamaat, shall pronounce its verdict on or after 7th of September 1974. Bretheren all across Canada are requested to humbly pray for safety and welfare of their bretheren in Pakistan.

An important admission:

Mr. Muhammad Hanif Ramay, Chief Minister of the Punjab, is reported by daily JANG of Karachi (10th July, 74) to have admitted in a speech delivered at Lahore that total boycott has been instituted against members of the Ahmadiyya Movement in many parts of Pakistan, and that attempts have been made to deprive Ahmadi children of milk and other necessities of life. "The Peoples Party had promised to build a society reminiscent of the period of Hazrat Omar" the Chief Minister said. Continuing, he said that Hazrat Omar had said that if even an animal died of hunger at a distant country under his jurisdiction, he would be questioned about it on the Day of Judgement. "Yet here we are," said the Chief Minister, "confronted in this country with a situation when a section of the community is being deprived of basic necessities of life and children of Milk," concluded Mr. Hanif Ramay.

The admission by the Chief Minister belies the claim by certain Government officials of Pakistan that reign of terror against Ahmadis in Pakistan has been brought under control.
