" BE GREATFUL TO GOD "

The Promised Messiah, peace be on him, says :

I tell you the truth that real prosperity and real comfort cannot be had from the world and worldly means. The truth is that the true and lasting happiness cannot be obtained from any of the multiple aspect of the world.

You should not exult over the worldly and transitory successes for in that case you will be led far away from the true achievement. You should rather use these successes for God-realisation. Do not be proud of the struggle that you put in and the effort that you make. Do not think that your success is due to the talents that you think you possess and the hard work you do, rather you should try to realise that the Merciful God who never lets any sincere effort go waste has been kind enough to fructify your efforts. Don't you see that hundred of students do not get through their examinations. Do all of them put in no effort and are all of them dull. That is not the case, rather some of them are so intellegent and bright that they are certainly better than many of those who are declared successful.

Therefore it is essential that you should prostrate before God in thankfulness to Him, for the success that He grants you. You should realise and admit it that it was He who did not let your efforts go waste.

If you will be grateful to Him, your God will increase and your faith will till more strength. Only that much even you will gain more success, for God, say that you will be grateful to me, I will give you more of my bount. And you will be ungrateful, you will get severe punishment.

### News from the Centre:

Latest report from daily Al-Fazl regarding the health of Hazrat Khalifa-tul-Masih III is that with the mercy of Allah he is feeling well now. All brethren across Canada are requested to fervently pray for good health & long life of our beloved Khalifa-tul-Masih.

### 82nd Annual Gathering - a glorious success :

The daily Al-Fazl reports that our 82nd annual gathering held in Rabwah on 26, 27 & 28th of December 1974 has been, with the benevolence of Allah, a glorious success. From all over the globe 1,25,000 Ahmadis participated in this blessed gathering. Hazrat Khalifa-tul-Masih III delivered the opening speech and said that ill treatment meted out to us in Pakistan will never force us to shift our Centre from here to some country abroad. Because Pakistan is like a mother to Pakistani Ahmadis and according to a saying of our Holy Prophet (PBUH) paradise lay under the feet of one's mother. Huzoor exhorted all Ahmadis to work hard and put in the necessary struggle for the supremacy of Islam. Huzoor further said that the community is running 76 schools and 16 colleges, mostly in Africa. We have completed the construction of 15 mosques in the current year and a dozen more are nearing completion. .... At 16 places health centres have been opened where 19 Pakistani doctors are serving 10 secondary schools are working and 4 other are under construction.

In the First Centenary Jubilee Fund ... our communities in foreign countries have offered to donate more than 5 Crore Rupees. The Community has its branches in 50 different countries.

The foreign delegation came to participate in this gathering from North America (22 members) Denmark, Norway, Holland, West Germany, Switzerland, Sweden, Australia, Indonesia, Kuwait, Nigeria, Mauritius, Zambia, Sierraleone and Syria.

Book Review

Salatin-e-Hind aur Ishate Islam - by Dr. Ishaq Khalil  
The book under review deals with the conversions to Islam in India in the period  
1000-1500 A.C. What western authors have been claiming for over centuries, that  
conversions to Islam were all by force, or that people wanted to escape from  
Tax (Djizya), the learned author has proved all such objections to be baseless.  
The reports ~~which~~ which emphasize the alleged declaration of the medieval Muslims  
against the Hindus to choose between Djizya, Islam or death have unfortunately  
been mis-interpreted by a number of contemporary writers of Indian history to  
the disadvantage and unfavourable reputation of the Indian Muslims.

This valuable research work was presented to the Fazle Omar Foundation  
Rabwah, and was awarded the first prize in 1967. It is thus first book which was

## مسلم لیگ کا ممبر کون بن سکتا ہے ؟ قائد اعظم سے سوال

بانی پاکستان محمد علی جناح کی زندگی کا عظیم مشن اتحاد ملت اسلامیہ تھا آپ نے اپنی تمام صلاحیتیں اور استعدادیں اس مشن کیلئے وقف کر دیں سیدنا حضرت مصلح موعودؑ کے الفاظ میں آپ ان چند لوگوں میں سے تھے " جنہیں اپنے ذاتی عروج کا اس قدر خیال نہیں جس قدر کہ قومی ترقی کا ہے " (ملاحظہ ہو مسلمانان ہند کے امتحان کا وقت ص 9 ۱۹۲۸ء)

قائد اعظم اسی منصب العین کی خاطر اپریل ۱۹۲۲ء میں کشمیر تشریف لے گئے آپ نے وہاں مسلم کانفرنس کے سالانہ اجلاس میں شرکت کی اور ۲۳ مئی ۱۹۲۲ء کو کشمیر کے صحافیوں کو شرف ملاقات بخشا اور پریس کانفرنس سے خطاب فرمایا اور کہا :-

" میں آپ لوگوں کا ممنون ہوں کہ آپ نے یہاں آکر مجھ سے ملنے کی تکلیف کی .... مجھ سے ایک پریشان کن سوال کیا گیا کہ مسلمانوں میں سے مسلم لیگ کا ممبر کون بن سکتا ہے ؟ یہ سوال خاص طور پر قادیانیوں کے سلسلے میں پوچھا گیا ہے میرا جواب یہ ہے کہ جہاں تک آل انڈیا مسلم لیگ کے آئین کا تعلق ہے اس میں درج ہے کہ ہر مسلمان بلا تیز عقیدہ و فرقہ مسلم لیگ کا ممبر بن سکتا ہے .... میں جموں و کشمیر کے مسلمانوں سے اپیل کروں گا کہ وہاں --- ایک ہی پلیٹ فارم ہر ایک ہی جھنڈے تلے جمع ہو جائیں اسی میں مسلمانوں کی بھلائی ہے
