**SOCIAL BEHAVIOR**

**QURAN ON SOCIAL BEHAVIOR:**

O ye who believe, enter not houses other than your own until you have obtained leave and have saluted the inmates thereof. That will be the better for you that you may be heedful. If you find no one therein, then enter them not until leave is given to you, If it is said to you: Go back just now; then go back, that is purer for you.  
( Al-Quran 24: 35-36)

**Prophet MUHAMMAD on Social Behavior:**

- \*\*\*\* Be moderate in friendship, for one day your friend may perhaps turn against you. Likewise be moderate in hostility, may be the hostile one will become your friend one day.
- \*\*\*\* Cultivate the habit of shaking hands; it will remove rancour from your hearts.
- \*\*\*\* It is not permissible for a person to intrude himself in between two who are already together, unless with their consent.
- \*\*\*\* SIT WITH YOUR ELDERS, SEEK KNOWLEDGE FROM THE LEARNED AND ASSOCIATE WITH THE WISE
- \*\*\*\* When you visit a sick person place your hand on his forehead or over his hand and enquire after his health. Your handshake will complete your greeting.
- \*\*\*\* BEWARE OF AN EVIL COMPANION, FOR YOU WILL BE JUDGED BY THE COMPANY YOU KEEP.
- \*\*\*\* A good companion is like a vendor of perfume, even if he does not give you of the perfume, you can enjoy its fragrance.
- \*\*\*\* He who cuts off relations with his brother for space of a year has as good as murdered him.
- \*\*\*\* Respond to an invitation, do not reject gifts and be not overbearing towards your bretheren.
- \*\*\*\* REFRAIN FROM UTTERING TODAY WHAT YOU MAY HAVE TO APOLOGISE FOR TOMORROW.
- \*\*\*\* He who consoles anyone in sorrow will have the same reward as one who bears his affliction with fortitude.
- \*\*\*\* When the Holy Prophet visited someone at night he greeted the inmates in such a manner that he might be heard by those awake but should not disturb those asleep.
- \*\*\*\* Someone asked the Holy Prophet about eating the food of the Christians. He answered: Do not let Christianity render food disagreeable for thee.
- \*\*\*\* A person of authority and a person of learning are entitled to a place of honour
- \*\*\*\* The elegance of a person's speech is a part of his attraction.
- \*\*\*\* When you go to a gathering, and room is made for you, occupy it; otherwise look for some vacant place and accommodate yourself.
- \*\*\*\* The company of your elders is blessed.

Dear Editor,  
As-salamualaikum,

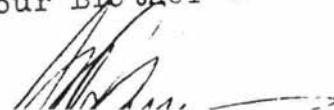

I could not resist writing this letter to congratulate you with the excellent "Questions & Answers" section in the News Bulletin. I hope you will continue this column because not only children but adults also benefit from it.

What disturbs me is the manner in which The Pakistan Earthquake Relief Fund Appeal is lodged. Once again we were too late in starting it as most of the members would have already contributed to other agencies who act immediately to such tragedies but we only tail behind. Furthermore we must try and help as much as we can afford to whichever country is in distress including Turkey, India, Middle East, Bangladesh etc etc. An Ahmadi Muslim belongs to an International Community and as such to brand him to be a "countrymen" (Pakistani) would be very misleading unless this appeal was restricted to Pakistani members only. Of course, majority of our members at present might be Pakistani but that still does not alter the fact that we are an International Community and amongst us we have many different countrymen and therefore it would be wrong to "brand" them also to be Pakistanis. If we are anything than we are Muslims but if we must identify ourselves with any country, with the exception of those who are here only for a short time, than we are Canadians. We have from our own free will chosen and adopted Canada to be our place of residence and if we cannot identify ourselves with it than perhaps we should not be here. I admit it is not easy to break ties with your countries of Origin but we must remember that we are here to stay, our children will be born here, brought up here, and this will be their country no matter what we say or do. Therefore, we must identify ourselves as Canadian Jamaat.

I am bringing this point up very strongly, although, this might make me unpopular amongst our Pakistani brothers but there is a very strong principle at stake and I am warning our brothers not to mislead us otherwise I can see history repeating itself like in East Africa. We always identified ourselves with our countries of Origin and supported them financially and by other means during Partition, Wars, Feminine etc etc but never associated ourselves with the problems of the countries where we had settled. The net result of which was that the Natives became very suspicious of our loyalties and as soon as they gained Independence we were kicked out together with those who Lead us. The unfortunate thing was that the countries with whom we identified ourselves staked us on the back and declared they had nothing to do with us although before this happening we were always so called "countrymen", and especially when they wanted funds.

As a Canadian Muslim, I enclose further small donation to the appeal.

Your Brother in Islam,

AN APPEAL TO THE MEMBERS OF NATIONAL ASSEMBLY OF PAKISTAN:

In the fourth week of July, 74 on behalf of Jamaat Ahmadiyya Canada, an appeal was sent to all the 144 members of the National Assembly of Pakistan. Copies of this appeal were mailed to President & Prime Minister of the Govt. of Pakistan. In this appeal we elaborated our beliefs and convictions, and exhorted the members not to let the Mullahs of Pakistan constrain & threat the Govt to do what is not justified in any code of international community.

A reception was held at the Fazl-i-Umar Mosque in Dayton, Ohio, on Saturday, January 11, 1975, honoring four members of the Dayton Jamaat who attended the annual Jalsa Salana.

At the reception, these four members gave very moving accounts of their impressions of Jalsa Salana and of the Rabwah Community. Ameer Muzaffar Ahmad also recounted the impressions of their visit to Qadian, India, where the first Ahmadi Community was founded.

Following these verbal accounts of the Jalsa Salana, refreshments were served. The reception was well attended by members of the Dayton Jamaat, Imam Ibrahim presiding. Several visitors were present.
