TRANSLATION OF THE HOLY VERSES - TITLE PAGE

We gave Abraham glad tidings of a gentle son. When the boy began to run about with him, Abraham said to him: Son, I have seen in my dream that I am slaughtering thee. So consider what thou thinkest of it. The boy replied: Father, do what thou art commanded; thou wilt find me, if Allah please, steadfast. When both were ready to submit to Allah's will, and he had thrown him down on his forehead, We called to him: Abraham, thou hast indeed fulfilled the dream. Thus do We reward those who do their duty to the utmost. That was surely a manifest trial. We ransomed the boy with a great sacrifice, and We preserved for Abraham a good name in succeeding generations. Peace be upon Abraham. Thus do we reward those who do their duty to the utmost.

(Ch. 37:102 to 111)

AN AHMADI FROM TRINIDAD VISITS WINNIPEG

(By Dr. Ijaz Ahmad, Winnipeg) -

Mr. Fazar Ali (an Ahmadi from Trinidad) was a guest speaker at one of our fortnightly meetings in October. He spoke on the topic of 'Status of Islam in Trinidad'. "Trinidad is a cosmopolitan place where followers of all religions have a very good understanding of each other and have established a very good rapport among themselves", he said. According to Br. Ali Christians, Ahmadi-Muslims and non-Ahmadi Muslims are on very cordial and friendly terms. There has been no expression of bias, bigotry and intolerance as far as he could recall.

An outstanding feature which has caught on in Trinidad is the establishment of inter-faith dialogue. This was started by Ahmadi Muslims a few years ago and has continued since then. This inter-faith dialogue has been very effective in getting to know each others' view points. Brother Ali told our meeting that Ahmadiyya point of view of Islam has been well publicised through such dialogues and as a result no one has any hard feelings about Ahmadiyya Muslims.

Br. Ali, who is a businessman in Trinidad, is Imam of a mosque in San Fernando, W.I.

The idea of inter-faith dialogue has impressed the Ahmadiyya Jamat in Winnipeg. We have decided that in our future meetings we will try to invite followers of different faiths and exchange our view point with them. As a result, Mr. Trehan, a Hindu retired civil servant of India (now a free-lance journalist in Winnipeg) will be our guest speaker at our next meeting on November 11, 1977. He will give impressions about Ahmadiyya Muslim faith after our Juma prayer, Inshallah. Originally he came from somewhere near Qadian, Punjab in India.

EXAMPLE SET BY AN AHMADI FAMILY IN CANADA (MISSIONARY IN CHARGE)

A prominent Yugoslavia Muslim personality, Ahmad Sumail Witch, praised a Canadian Ahmadi family which invited him for meals. After the meals, Br. Ahmad said, a child called Azan and the whole family observed prayer in congregation. This, he added, reminded him of the days when every member of the family used to act upon the Islamic teachings. The Muslim leader also expressed that Islamic society would be built only after the Islamic teachings were observed in the homes.

Our Sweden missionary, Kamal Yusuf, was present in the meeting where this Muslim leader made a speech and mentioned the event. This shows we shall have to build Islamic society first at our homes. Could I ask how many of our families have attained this stage to influence the others?

Message for the North

BY MICHAEL PARKIN

Mr. Muhammad Anisur Rahman, a Pakistani Missionary, took over the leadership four weeks ago of a mission to convert the North of England to the Moslem religion. So far he has not found a single convert.

He is undaunted - for has it not been written by Hazrat Mirza Ghulam Ahmad, the great spiritual son of the Holy Prophet Mohammed, Islam will ultimately triumph throughout the world?

Indeed it has. And Mr. Rahman when joining the stolid citizens of Huddersfield sunning themselves on park benches, tells them also that this same great Messiah, Hazrat Mirza Ghulam Ahmad (1835-1908) was also the second coming of Christ.

Mr. Rahman is an Imam missionary of the Ahmadia movement, a minority Moslem sect in Pakistan which believes that Christ survived the crucifixion and travelled with his mother to Shrinagar in Kashmir, where he died at the age of about 120.

When he sits alongside the people of Huddersfield, Mr. Rahman introduces himself and his purpose, and says: "I am here to give you the message that the second advent of Jesus Christ has been in the shape of Hazrat Mirza Ghulam Ahmad." He then launches into an outline of the life work of Ghulam Ahmad.

The next stage on the road to conversion is the suggestion that an appointment should be made for a

further discussion. Those interested are given literature of the movement, which includes a chilling prophecy about the outbreak of a Third World War in which Russia and its satellites and the United States and its allies will both be destroyed.

The Russian people will recover first, multiply rapidly and accept Islam and its Holy Prophet. But the divine wrath can be averted, or delayed, if man repents and listens to Allah, most gracious, ever merciful.

Asked how the worthies of Huddersfield responded to his approaches, the small and eager Mr. Rahman said that about 90 per cent were interested.

He has been preaching from eight to 12 hours a day, using the Nasir Mosque and mission house, a stone terrace house at 4 Central Avenue, Fartown, Huddersfield, as his base. He is in charge of the movement's seven missionaries in the North of England.

"To convert is not very easy" Mr Rahman said. "It is not really my task, but the work of God. I can only convey the message."

1) Montreal Jamaat has sent a report for five months from June to October, 1977. They have been holding monthly meetings. Apart from the opening recitation of the Holy Quran with translation and the commentary and a religious poem speeches were made and papers read on diverse moral and religious topics. Traditions of the Holy Prophet and their explanation was also a regular event of these gatherings. The programme of the regular monthly meetings included the opening with the recitation of a few verses of the Holy Quran along with their translation and explanation, religious poems traditions of the Holy Prophet and their translation, speeches and papers on moral and religious topics. Community members also availed themselves of these meetings to discuss the community affairs.

2) A picnic, held in June, served the Jamaat another occasion to gather and work for the great common cause of spreading Islam, the religion of love and peace.

3) Election Khuddamul-Ahmadiyya held and Mirza Salahuddin was elected as Qaid Majlis Khuddamul-Ahmadiyya.

4) Montreal Ahmadiyya Jamaat is fully co-operating for Central Mosque Project completion. Other Jamaats are also expected to send their pledges towards this project in the earliest liesure.

PROMISED MESSIAH IS REFORMER FOR
COMING THOUSAND YEARS

(Syed Mansoor A. Bashir, Missionary In-Charge)

Brothers are hereby informed about a misunderstanding being spread among the Jamaat. It is said that the Holy Prophet (peace be on him) prophesied the coming of a reformer (Mujaddid) in Islam at the beginning of every century. A reformer, it is being propagated, must appear in the beginning of the next Islamic century, which is only three years hence.

A short time ago, Hazrat Khalifatul Masih III, the present Supreme Head of Ahmadiyya Movement, told a gathering at Rawah that the Holy founder of Ahmadiyya Movement was a reformer and Mujaddid for the next one thousand years. Hazrat Amirul Mominin announced this according to the claims of the Promised Messiah himself. It is strange, however, that some people who claim themselves as Ahmadis are bent to defy this declaration.

We produce hereunder the translation of the writings of the Promised Messiah and his second Caliph, the Promised Son, Hazrat Mirza Bashiruddin Mahmood Ahmad.

"The Holy Prophet has called the people of the 6th millennium as the most corrupted ones, and the seventh millennium, through which we are passing is the period of guidance. As this is the last millennium, it was essential that the Imam of the latter age should appear at the turn of this century. There is no Imam after him, nor any Messiah but only the one who may appear as his reflection, as the world will end with the current millennium to which all the prophets have borne witness. The Imam who has been designated as the Promised Messiah is the Mujaddid (reformer) of this century and the Mujaddid for the LAST millennium." (Lecture Sialkot, page 7)

When an Arab asked as to what is the meaning of the Khalifa, he (Hazrat Promised Messiah) replied: "Khalifa means a successor who reforms the faith. Those who come to remove the darkness that prevails after the departure of the prophets and act in their stead, are called Caliphs."

It is clear then that restoration and reformation of the faith are covered by the institution of Khalifat. It is ridiculous, therefore, to wait for a Mujaddid during the life time of a Khalifa, the Khalifa himself being the Mujaddid.

The same question was put to Hazrat Khalifatul Masih II (may Allah be pleased with him) the Promised Son of the Promised Messiah, to which his reply was published in THE DAILY ALFAZL, April 8, 1945.

1st ANNUAL CONFERENCE of Canada Jamaat

A very happy news for all the Ahmadis in Canada: that we are going to hold our first annual conference in Christmas Holidays on 24 and 25th Dec. 1977 i.e. on Saturday and Sunday. During these days we will also have our 1st Shoorā meeting which will pass the programme and the budget of the Mission for the next year.

Please send your suggestions for the Shoorā Agenda and try to join these conferences by all means. Representatives of the Jamaats will participate in the Shoorā meeting; others, however, will be allowed to attend it as observers.

Members should also try to pay their dues for Annual Conference, its rate being 1/10th of one month's income to be paid once a year of 1/100th of the annual income. This a compulsory due prescribed by the Promised Messiah. We need it for the Annual Conference arrangements.

The Annual Conference will be held in the Auditorium of David & Mary Thompson Collegiate, Scarborough. A map is drawn here for Brothers convenience.

CHILDREN'S CORNER

OUR PROPHET (PEACE BE ON HIM)*(By Sajeda Daud)*

Muhammad (peace be on him) is the greatest of all prophets. He is the Khata mun-Nabiyyeen i.e. the seal of the prophets. He was blessed by Allah. He was born on 20th April, 507 A.D. at Mecca in Arabia and died at the age of 63 at Medina and was buried at Medina. He was brought up by his mother until the age of six. When his mother died he was left an orphan and then was brought up by his grandfather.

Muhammad (peace be on him) was twenty-five when he married Khadija, who was forty and had many children.

A few people accepted him and others tortured him and killed some of his followers. Even his own relatives turned against him and Allah ordered him to move to Medina. He was welcomed well by the people; but soon the Meccans heard this and attacked them. After the first battle, he had to fight several others in self-defence till he entered Mecca as a conqueror in 630 A.D. The holy prophet died in Medina and was buried there.

This was a prophecy about the Holy Prophet made in about 1451 B.C by Prophet Moses:

"I will raise them up a prophet from among their brethren, like unto thee, and will put words in his mouth, and he shall speak unto them all that I shall command him." (Deuteronomy 18:18)

OBITUARY

Quite sorrowfully, we announce that Malik Khadim Hussain, dear father of our Br. Malik Akhtar Hussain, according to the telegram received on 13th November, 1977, passed away at Rabwah.

إِنَّا لِلّٰهِ وَإِنَّا إِلَيْهِ رَاجِعُونَ

Malik Khadim Hussain (May God be pleased with his soul) was a prominent member of the Jamaat and had the honour to work on quite responsible posts in Jamaat. He worked as a Private Secretary to Hazrat Khalifatul Masih II and Nazer Amur-e-Aama, Sadar Anjuman Ahmadiyya, Rabwah. He was also a writer and a poet and used his intellectual faculties to serve Islam and Ahmadiyyat. His death is a national loss, and all the members should feel obliged to pray for him.

BIRTH

God has blessed Barkat Ilahi Janjua, President Ahmadiyya Community Montreal, with a daughter. He has named her 'Saiha' after the word mentioned in the Holy Quran. May God make her pious and delight of the parents' eyes.

Introducing the books of Hazrat Ahmad:

BARAHIN-I-AHMADIYYA

By Maulana Nasim Saiji

PART 2

Hazrat Ahmad then explained to his readers that he never had any intention to injure the feelings of the people. What he actually wanted to do - and what he was doing - was to prove intellectually that Islam was a more acceptable religion than every other religion. He said the days had passed when stories were considered to be sufficient to prove the truth of a religion, solid proofs were needed to prove that a religion was living & practical.

Hazrat Ahmad has made mention of the following six points about this Book of his:

- 1) It contains all the truths based on the principles of the knowledge of religion; all the truths that put together can be called Islam.
- 2) It contains three hundred proofs - strong, conclusive and convincing - of the truths of Islam.
- 3) It contains answers to the allegations, accusations, objections and whimsical views of the opponents of Islam like Jews, Christians, Magians, Aryas, Brahmins, idol worshipers, atheists; naturalists and irreligious people.
- 4) It contains a discussion on the basic religious beliefs of the followers of other religions.
- 5) It contains the explanation of the secrets of the Word of God. The wisdom of the Holy Quran becomes manifest throughout.
- 6) All the discussions have been penned with great coolness and fitness and in perfect accordance with the rules of discussions; everything has been said in a lucid manner and understanding has been made easy.

The third volume starts with a mention of the poor condition of the Muslims and Hazrat Ahmad has shown great concern for them. It contains the external and internal proofs of the truth and excellence of the Holy Quran. This topic has been discussed at length and quite a number of details have been mentioned in the marginal notes.
